

THE GRASSHOPPER FLYING CLUB, INC.

The flying club owns three high wing aircraft. Entering the club buys you a share of the three aircraft. The club presently has about 60 members. Flight instructors, A&P and A&I mechanics are affiliated with the club.

MEMBERSHIP

A membership is available to those who have no experience, have not held a private pilot certificate or currently hold a pilot certificate (current or not). Full membership requires a \$1,900 equity payment of which \$1,800 is refundable upon leaving the club.

There is also a monthly charge of \$60 per month to help pay for fixed costs such as tie downs, insurance, annuals and other such
